

THE VIRTUAL EDUCATION COMMUNITY A QUARTER OF CENTURY AFTER THE EUROPEAN CHEMISTRY THEMATIC NETWORK LAUNCH

Antonio Laganà, *CNR SCITEC UOS Perugia, University of Perugia (IT), ECTN VEC Chair*

A quarter of century after the launch of the European Chemistry Thematic Network (ECTN) by A.K. Smith, R.J. Whewell and J. Huet the ECTN Association (developed from one of the ECTN's most successful activities) is ready to offer its services worldwide. In the present VIRT&L-COMM issue we collect the contributions submitted by people active in EChemTest® aimed at providing official documentation on the work done for it.

The present issue contains the following contributions:

- EChemTest®: the ECTN Association service for the assessment of chemistry competences** (A. Laganà)
- LibreEOL for a worldwide EChemTest® and e-assessment service** (O. Gervasi, D. Perri, M. Simonetti)
- CHEM-LEARN: the new EChemTest® accounting system** (C. Manuali, A. Laganà)
- EchemTest® at upper secondary schools** (D. Maggiore, E. Latta)
- Learning objects and G-LOREP updates** (S. Tasso)
- La Paz TC interim report** (F. Velazco)
- Chemistry for everyday life library and translations** (M. Woźniakiewicz)
- Analytical Chemistry (AC3) library** (M. Woźniakiewicz)
- Inorganic Chemistry (IC3) library** (S. Prashar)
- ECHEMTEST+ Bulletin n.10: Looking forward to 2021** (A. Laganà)
- EchemTest® New-Bulletin 2021 n.1** (A. Laganà)
- EchemTest® New-Bulletin 2021 n.2** (A. Laganà)
- EchemTest® New-Bulletin 2021 n.3** (A. Laganà)
